

# SUBMERSIBLE VORTEX SUMP PUMP

DV SERIES

This Waterpro Submersible Vortex pump has been specifically designed for sump pump out applications. Solid cast-iron and stainless steel construction for robust and reliable pumps on which you can depend. Capable of handling soft solids up to 15mm.

## APPLICATIONS

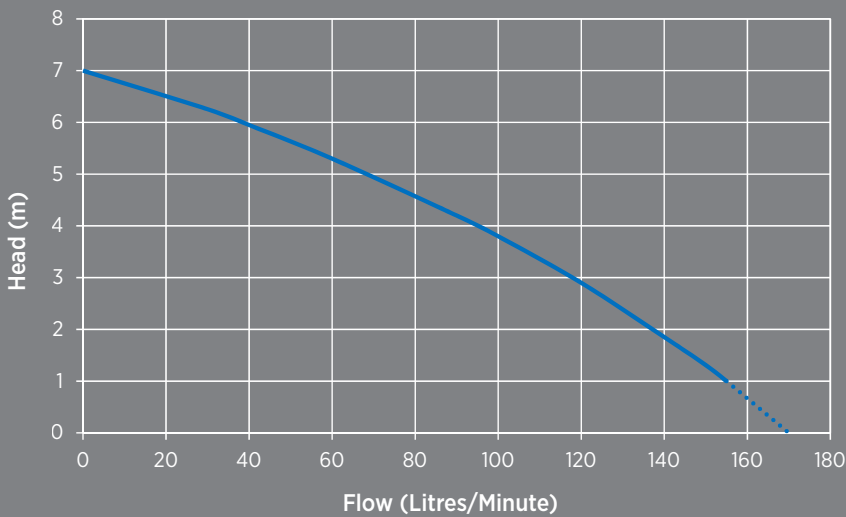

- Dirty water transfer
- Grey water
- Household waste water
- Sump draining
- Pool emptying
- Waste water systems

## FEATURES & BENEFITS

- Solids handling 15mm
- High performance
- Thermal overload protection
- Low power consumption
- 10m power cable, H05RN-F
- Includes multi-stage hosetail
- Attractive retail packaging

## CONSTRUCTION

- Stainless steel motor housing and shaft
- Technopolymer vortex impeller
- Dual silicone carbide/ceramic mechanical seal with oil chamber
- MAC 3 type float switch, depth adjustable
- Motor insulation class B
- Cast iron base and outlet

**NOTE** \*Do not use for sewerage
